Care product for rabbits

Gentle cleaning and soothing care of the outer ear area

GreenBunny LöffelPflege is a gentle way to clean and care for your rabbit's ears. Earwax (cerumen) is often poorly or not at all transported to the outside and can lead to blockage of the external auditory canal. Sebum and cerumen form a breeding ground for pathogenic fungi and bacteria.

Stubborn stains are removed by regular and gentle cleaning with **GreenBunny LöffelPflege**. Re-soiling build-up can be avoided. **GreenBunny LöffelPflege** promotes the formation of a skin milieu that makes it difficult for harmful fungi and bacteria to recolonize. Ear health is supported in a natural way.

Composition: aqua, liverwort, emulsifier, marigold oil, neem oil, clove oil, jojoba oil, lavender oil, geranium oil, thyme oil, sage oil, frankincense oil, arnica blossom extract

Application recommendation: Shake before use. Instill 1-2 drops into the external auditory canal and massage gently.

Contains eugenol, lavender oil and frankincense oil. May produce an allergic reaction.
