Product description

Feed material (powder) for dogs and cats

Whole egg powder – the natural and practical supplement for a balanced dog and cat feeding

Fit-BARF Whole Egg Powder is the ideal supplement for your dog's and cat's daily diet. It provides important vitamins, minerals, and trace elements that promote the well-being of your four-legged friend. With natural ingredients, it supports digestion, strengthens the immune system, and ensures a shiny fur. When adding whole egg powder to homemade food or BARF meals, it ensures a balanced protein supply with essential amino acids.

Composition: 100% whole egg powder, freeze-dried

Analytical constituents: crude protein 45%, crude fat 40%, moisture 6%

Feeding recommendation: 3 g/5 kg body weight. 1 tbsp. corresponds to ca. 2 g. Add to the feed as a powder or dissolved in water 2-3 x per week as required. It is advisable to introduce the powder slowly into the diet to check tolerance.
Store it cool and dry.
