Product description

COLUMBAVet HuminoMineral is made of purely natural and gently processed ingredients. Our HuminoMin-Complex® contains valuable organic and inorganic acids, such as humic acids, silicic acid, as well as tannins. The interaction of all ingredients is so well balanced that with COLUMBAVet HuminoMineral you get a perfect mineral mixture for breeding and moulting.

gastrointestinal regulation through HuminoMin-Complex®
all essential vitamins and trace elements for breeding and moulting
rich in natural amino acids
stabilizes the stomach and intestinal mucosa
also optimally suited for young pigeons
