Natural health & vitality for your pet - the power of organic sulphur

Sulfur is an essential element that is required for many of the body's own processes. It is an important building block for proteins, enzymes, and hormones, and contributes to the formation of collagen and keratin. Sulfur therefore plays a decisive role in the elasticity of joints, the regeneration of tissue and the health of skin and coat.

Our **Singulares MSM** consists of 100% pure methylsulfonylmethane with a sulfur content of 34.1% without additives or fillers. It is ideal as a daily food supplement for dogs, cats and horses and supports the body in a natural way.

Composition: methylsulfonylmethane (MSM) 100%

Analytical constituents: sulfur 34.1%

Feeding recommendation: Add daily to the feed. ***Cats:*** 0.5 g/5 kg body weight. ***Dogs:*** 1 g/10 kg body weight. ***Horses:*** large horses 10-20 g/animal, small horses 5-10 g/animal. 1 quarter tsp. corresponds to ca. 1 g / 1 tsp. corresponds to ca. 4 g. Start with a smaller amount and increase the feeding amount slowly over a few days to ensure optimum tolerance.

Store it cool and dry. Protect from direct sunlight.
