Product description

Complementary feed (capsules) for dogs

For the nutrition-related support in case of nausea and discomfort when traveling

Traveling without stress - so your dog does not get sick on the way!

Car journeys or train journeys: For many dogs, it means stress, nausea, or even vomiting. That doesn't have to be the case!

Our natural **Good Trip** against travel sickness was specially developed for dogs that suffer from typical symptoms such as nervousness, salivation, or stomach problems. The finely balanced mixture of proven plant substances supports your four-legged friend's stomach and nerves - gently, well tolerated and without any artificial additives.
