Fit-Crock Basic Cattle Mini 2 kg | 2 kg

Manufacturer	Fit-CROCK®
Product number	4445
Weight	2kg
Length	115mm
Width	180mm
Height	320mm

Product description

Complete feed for dogs

Natural, cold-pressed dry dog feed with beef - **without gluten !**

Fit-Crock Basic Cattle is our top feed in the usual ***cdVet*** quality with a moderate protein content. It is therefore also ideal as a dry supplement to partial BARF or for the BARF break. The animal proteins come mainly from cattle from species-appropriate grazing.

Also ideal for weight reduction in overweight dogs, for controlled protein reduction in dogs with liver and kidney disease, and for sensitive dogs with stomach and intestinal problems. Gently processed vegetables and valuable carbohydrates as an easily digestible source of energy result in a balanced meal, which - as always with ***cdVet*** – is supplemented and rounded off with our minerals. To ensure that your dog's nutritional profile is complete and harmonious, ***cdVet*** pays particular attention to the quality of the ingredients. We only use the best products in gentle cold pressing. Pure nature - from the first to the last bite

Expert tip: From a naturopathic point of view, animal nutrition should always be based on several pillars. We, therefore, generally recommend the additional feeding of.***cdVet*** **MicroMineral** and **GutActive**.

Composition: meat and animal by-products (17% beef meal, 6.79% blood meal, 5.5% beef fat), maïs, rice, maize germs, marine fish meal, molasses, brewers' yeast, carrot pomace, whey powder, beet pulp, linseed oil, grape pips meal, sunflower seed expeller, maerl, peat, malt rootlets, birch leaves, stinging nettle herb, milk thistle herb, dandelion herb, seaweed meal, dandelion root

Analytical constituents: crude protein 24%, crude fat 10%, crude fiber 0.9%, crude ash 7.4%, calcium 1.39%, phosphorus 0.67%

Feeding recommendation as main feed:

Weight of the dog	Daily amount
1 – 5 kg	50 – 100 g
5 – 10 kg	100 – 200 g
10 – 20 kg	200 – 300 g
20 – 35 kg	300 – 400 g
35 – 50 kg	400 – 500 g
50 – 65 kg	500 – 600 g

The information on our cold-pressed dog food is merely a guideline for a balanced diet that is based to the dog's needs. However, they should be adapted to the individual needs of the dog, as requirements can vary depending on the breed, age and size of the dog, training performance, and ambient influences. Fresh water should always be available.

Store it cool and dry. Protect from direct sunlight.
