Manufacturer	insektoVet®
Product number	601
Weight	0.1kg
Length	46mm
Width	46mm
Height	142mm

Product description

Repellent

Spray for repelling crawling and flying insects

insektoVet Spray is a highly effective repellent spray with long-term action. The active ingredient of the spray, containing an extract of the leaves of lemon eucalyptus, adheres to the skin and hair of the treated animal. The repellent active ingredient has an unattractive odor for crawling and flying insects (fleas, mites, ticks, mosquitoes, flies, horse biting lice) and successfully repels parasite infestations.

Expert tip: insektoVet Spray is highly recommended in combination with **insektoVet Ambient Spray**, which repels crawling and flying insects in the surroundings.

Active substance: *Eucalyptus citriodora* oil hydrated, cyclized (EC Oil (H/C)) 100 g/L, BAuA Reg.-No.: N-84857. Origin of the active substance from the leaves of lemon eucalyptus

Application recommendation: Shake before use. Spray **insektoVet Spray** 1-2 x daily against the coat line, dampen coat evenly, then massage in. Do not spray directly on face and eye area, but treat accordingly with still wet hands. Avoid direct contact with eyes and mucous membranes!
Quantity applied: Up to 250 ml bottle: ***cats, small dogs (up to 10 kg)*** 3-6 sprays, ***midsize dogs (up to 25 kg)*** 10-15 sprays, ***large dogs (over 40 kg)*** 20-30 sprays. 1 spray = ca. 0.15 ml. From 500 ml bottle: ***medium dogs (up to 25 kg)*** 1-2 sprays, ***large dogs (over 40 kg)*** 2-4 sprays. ***Horses:*** 20-30 sprays. 1 spray = ca. 1.3 ml.

Storage not below 18°C.

WARNING • Causes serious eye irritation. Keep out of reach of children. Wear protective gloves/protective

clothing/eye protection/face protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. Dispose of contents/container to an authorized waste disposal site. Contains 1,8-cineole and citronellol. May produce an allergic reaction.

Use biocides safely. Always read the label and product information before use.
