Product description

Coat & Skin Vital Dog & Cat is a purely natural complementary feed for intensive support of the organism in dull and dry coat, hair breakage and loss, dandruff and other skin irritations, which are often consequences of stress and deficiencies, as well as burdens from synthetic substances. Coat & Skin Vital Dog & Cat consists of special herbs, yeasts, essential fatty acids, micronutrients, trace elements, and vitamins that help to compensate for nutritional deficiencies and thus ensure optimal condition of the detoxification organs.
