COLUMBAVet MoltMix 240 g | 240 g

Manufacturer	COLUMBAVet
Product number	702
Weight	0.24kg
Length	98mm
Width	98mm
Height	127mm

Product description

COLUMBAVet MoltMix consists, among other things, of high-quality ingredients that contain many of the sulfur-containing amino acids that are urgently needed for the metabolic processes during molting. The contained herbs have an additional detoxifying effect and support the regeneration of the liver. COLUMBAVet MoltMix supports in a natural way a fast moulting process and an optimal structure of the new plumage.
