Repletion Mix 350 g | 350 g

Manufacturer	cdVet
Product number	1675
Weight	0.35kg
Length	98mm
Width	98mm
Height	127mm

Product description

Fibers are a component of plant foods and increases the volume of food without significantly increasing the energy content at the same time. Their high swelling capacity binds liquid in the stomach and creates a feeling of satiety. Fibers prolong the time spent in the stomach. When passing into the intestine, the high-fiber food pulp stimulates peristalsis due to its volume. The fibers contained in Repletion Mix are used by the intestinal bacteria of the large intestine mucosa as nutrition for their mucosal cells and provide a positive intestinal flora. The ingredients contained in Repletion Mix boost the metabolism and contribute to more vitality by regulating the acid-base balance.

highly satiating
natural fibers
prebiotic - strengthens the intestinal flora
improves the consistency of feces
