TinyHerbs BronchialVital 10 ml | 10 ml

Manufacturer	
Product number	181
Weight	0.0104kg
Length	24mm
Width	24mm
Height	71mm

Product description

Complementary feed (liquid) for rodents

Nutrition-related support of the self-cleaning mechanism of the bronchi

The mucus-forming ingredients of **TinyHerbs BronchialVital** protectively cover the affected respiratory tracts and support the body's own defense mechanisms. At the same time, the irritation of the cough is soothed and reduced. In addition, the essential oils contained in the herbs and the pure honey ensure a gentle dissolution of stuck mucus, make it difficult for pathogenic bacteria to settle there, and thus facilitate the natural process of coughing up.

The contained honey also stimulates the appetite and provides the animal with energy. **TinyHerbs BronchialVital** is tolerated by animals of all ages and can be mixed into the food without any problems due to its high acceptance.

Composition: blossom honey 15%, elderberry juice, thyme leaves and blossoms, fennel seeds, linden tree blossoms, anise seeds, sage leaves, ribwort plantain leaves, cowslip blossoms, licorice roots, eucalptus leaves, lungwort

Additives/kg: Preservatives: lactic acid* (1a270) 9.5 g. Flavouring compounds: ethanol (2b02078) 58.1 g.
*The simultaneous use of different or ganic acids or their salts is contraindi cated where one or more of them is used at or near the maximum permitted content.

Analytical constituents: crude protein 0.3%, crude fiber 0.5%, crude ash 0.4%, crude fat 0.2%, moisture 85%

Feeding recommendation: Shake before use. Daily for at least 14 days 1-3 ml/L drinking water or 2-5 drops/50 ml drinking water. 10 drops correspond to ca. 0.3 ml.
