Height	610mm

Product description

Complete feed for dogs

Natural, cold-pressed dry dog food with beef - **without gluten !**

Fit-Crock Basic Beef Mini- Ideal (but not only) for part barfing

Fit-Crock Basic Beef Mini is our premium feed in the usual cdVet quality with a moderate protein content. Therefore, it is also ideal as a dry supplement to the part barfing or for the barf break. The animal proteins come exclusively from cattle from appropriate grazing and marine fish. Also ideal for weight loss in overweight, controlled protein reduction at dogs who are sick with liver and kidney and sensitive dogs with stomach and intestinal problems.

Together with the vitamin-rich carrots and the corn germs as a high-quality source of fatty acids (linoleic acid) results in a balanced meal, which - as always with cdVet - supplemented and rounded off by herbs. In order for the nutritional profile of your dog to be round and coherent, cdVet pays particular attention to the quality of the ingredients. So we use only the best products in gentle cold pressing. Therefore, it is not necessary to enrich the feed with synthetic. Pure nature - from the first to the last bite.

Composition: Meat and animal by-products (17% beef meal, 6.79% blood meal, 5.5% beef fat), maize, rice, maize germ, marine fishmeal, molasses, brewer's yeast, carrot pomace, milk and dairy products, beet pulp, linseed oil, grape pips meal, sunflower cake, maerl, peat, malt rootlets, stinging nettle herb, birch leaf, milk thistle, dandelion, seaweed meal

Analytical constituents and levels: Crude protein 24%, crude fat 10%, crude fiber 0,9%, crude ash 7,39%, calcium 1,39%, phosphorus 0,67%

Feeding recommendation as main feed:

Weight of the dog	Daily amount in g
1 – 5kg	50 – 100g
5 – 10kg	100 – 200g
10 – 20kg	200 – 300g
20 – 35kg	300 – 400g
35 – 50kg	400 – 500g
50 – 65kg	500 – 600g

The information is indicative only. Fresh water should always be available.
