## Product description

Through his, under the herbal oils, the highest content of valuable essential fatty acids, particularly omega 3 and 6, hempseed oil is valid as with one of the most valuably oils. The content in rather rare gamma linoleic acid, vitamin E, minerals, doubly as well as triply unsaturated alpha linoleic acid (which must be supplied about the food, because the animal organism cannot form this) makes the biology hempseed oil a valuable supplier who should be absent in no well-balanced food.
