Linseed Expeller Gris 10 kg | 10 kg

Manufacturer	cdVet Agrar
Product number	10200
Weight	10.131kg
Length	430mm
Width	200mm
Height	800mm

Product description

Feed material (powder, coarse) for ruminants and pigs

For feeding-related support of intestinal flora and rumen activity - protein source

Linseed Expeller Grist is made from linseed using our gentle cold-pressing process and therefore contains a high proportion of residual oil. The natural properties of linseed are largely preserved by cold pressing, which means that linseed expeller can have a positive effect on rumen activity and digestion. Linseed expeller grist is rich in natural vitamin E, proteins (approx. 36%), fibers, and mucilage.

Composition: 100% linseed cake (coarse ground) from 1. cold pressing

Analytical constituents: crude protein 36.0%, crude fat 8.0%, crude fiber 4.9%

Feeding recommendation: Add daily to the feed. Cattle/pigs: 0.5-2 kg/t feed. Calves: 8-10 g/animal. 1 tbsp corresponds to ca. 9 g.

Store it cool and dry.
