Product description

Bach Flowers were developed in the 30s of the last century. Freshly harvested flowers were placed this in a bowl of water, so as to transmit their biophysical energy to the cooking method or the sun method to the water. So you won 37 different plant extracts and an essence of spring water.

Bio-Bach Flowers contain no alcohol or sugar. Moreover, not only the flower essences but also all the other ingredients contained are Bio-certified.
Another unique feature is the basis of Bio-Bach Flowers: through the use of high-quality Bio-Evening primrose oil is a new generation in terms of total quality.
