Care shampoo for odor masking against nuisances

With **insektoVet Shampoo**, ***cdVet*** has developed a revolutionary product. A thorough bath in the nourishing foam will rid your pet of nuisances and their droppings, such as flea droppings. The moisturizing, fur-caring properties of the shampoo help to soothe the skin. The pleasant scent of the shampoo masks the animal's own odor. This means that the animal is no longer perceived by insects and nuisances as an attractive host worth infesting.
