GutClean Dog 100 ml | 100 ml

Manufacturer	cdVet
Product number	25
Weight	0.103kg
Length	47mm
Width	47mm
Height	103mm

Product description

Complementary feed (liquid) for dogs

For intestinal cleansing – for the demand-oriented supplementary feeding in case of nutrient-related digestive disorders and intestinal problems

Digestive disorders, nausea, diarrhea, and other intestinal problems are often the result of an incorrect nutrition and not intact intestinal flora, respectively. **GutClean Dog** is a natural, liquid food supplement to support of feed intake in case of digestive disorders and to promote the natural intestinal flora. **GutClean Dog** supplements the feeding, with herbs and vegetable extracts, in a natural way to compensate for nutritional deficiencies.

Expert tip: GutClean Dog has proved particularly effective as part of an intestinal cleanse with **ToxiVet sorb** and **GutActive**.

Composition: fruit vinegar, dextrose, elderberry juice, beetroot juice, fermented cereals (liquid), acerola cherry pulp, gingko leaves, stinging nettle (ground), ribwort plantain leaves, artichoke leaves, anise seeds, thyme, purple coneflower herb, St. John's wort

Additives/kg: Preservative: lactic acid (1a270)* 2.38 g. Flavouring compounds: chestnut extract 50.0 g, ethanol (2b02078) 4.03 g, oregano oil 0.24 g.
*The simultaneous use of different or ganic acids or their salts is contraindi cated where one or more of them is used at or near the maximum permitted content. The mixture of different sources of lactic acid shall not exceed the permitted maximum level of 20000 mg/kg in complete feedingstuffs.

Analytical constituents: crude protein 0.3%, crude fat 0.2%, crude fiber 0.5%, crude ash 0.4%, moisture 90%, sodium 0,02%

Feeding recommendation: Give 3 ml/10 kg body weight daily for a period of 30 days directly into the muzzle or add to the feed. For larger, heavier dogs, the amount to be fed should not exceed 15 ml.
