Product description

Repellent

Spray to repel mites in terrariums

REPTIN MitesEx Terrarium reliably repels mites in terraria. The spray contains geraniol extracted from the leaves of the Geranium palmarosa herb, which adheres to the surface. The repellent active ingredient has for crawling and flying insects an unattractive odor for fleas and successfully prevents parasite infestation.

Active substance: Geraniol 29 g/L. BAuA Reg.-No.: N-114804. With the active substance from the leaves of palmarosa geranium grass (*Cymbopogon martinii*).

Application recommendation: Shake before use! In case of infestation, spray the terrarium and move the animals for 1-2 days. Spray all areas of the terrarium where the animal stays, as well as hiding places and nests of the mites, from a distance of approx. 10 cm. Allow terrarium to air out well. Repeat the application if necessary.
Application rate: ca. 5 ml/m². Up to 250 ml bottle: 1 spray = ca. 0.15 ml. From 500 ml bottle: 1 spray = ca. 1.3 ml.

Storage not below 18°C.

WARNING • Contains geraniol. May produce an allergic reaction. Causes serious eye irritation. Keep out of reach of children. Avoid breathing mist/spray. Wear protective gloves/protective clothing/eye protection/face protection. IF ON SKIN: Wash with plenty of water and soap. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. If skin irritation or rash occurs: Get medical advice/attention. Dispose of contents/container to an authorized waste disposal site.

Use biocides safely. Always read the label and product information before use.
