FitBARF Seaweed Meal 250 g | 250 g

Manufacturer	Fit-BARF®
Product number	4144
Weight	0.25kg
Length	98mm
Width	98mm
Height	98mm

Product description

Ascophyllum nodosum is also called knotted kelp. Due to its high content of minerals, trace elements, and vitamins, it is ideal as a regular feed additive. These natural ingredients not only provide an optimal, natural provision, but also optimally bring out the breed-specific coat color of your pet. The coat is nutritional-related supported, and the naturally contained iodine content optimizes the thyroid function.
