Product description

Complementary feed (powder) for cats

For the nutrition-related support at general weakness and in old age

feliTATZ Senior is a natural complementary feed for cats and provides the animal's body with precious herbs, vitamin E, selenium, amino acids, electrolytes, essential fatty acids, and iron. feliTATZ Senior is particularly recommended to compensate for nutrition-related deficiencies in cases of general weakness, listlessness, after illness or surgery, after training breaks, in cases of lack of agility, and in older animals.

Expert tip: For micronutrient supply, the feeding of feliTATZ MineralForce is additionally advisable.

<u>Composition</u>: linseed, brewers' grains, hawthorn leaves with blossoms, brewers' yeast, milk thistle herb, birch leaf, stinging nettle herb (ground), gingko leaves, dandelion herb, ginger, dandelion root

Additives/kg: Nutritional additives: L-lysine monohydrochloride 102 g, L-methionine (3c305) 55 g

Analytical constituents: crude protein 31.2%, crude fat 15.4%, crude fiber 11.5%, crude ash 5.4%

Feeding recommendation: add daily 1 knife point to the feed
