Product description

Complementary feed for cats

Suitable for feeding to accompany therapy for cats prone to urinary tract problems

feliTATZ HarnwegeWohl contains a variety of high-quality herbs and minerals. These can contribute to increased fluid intake and have an intensifying effect on the urge to urinate. Increased fluid intake and excretion supports the self-cleansing of the urine-forming system.

An optimal supply of vitamins, trace elements, amino acids and selected herbs supports the physiological organ functions and metabolic processes, especially those of the urinary tract.

Composition: grape seed meal, deadnettle, bean pods, blackberry leaves, field horsetail, propolis, lemon balm, oak bark, willow bark, ginseng, water azalea, vine leaves, camomile
