Product description

VeaVet Skin Mineral Spray is a natural fur and skin care product consisting of high-quality oils that support the natural regeneration of stressed skin and have excellent nourishing properties. Fur and skin get more shine and suppleness again.

The contained salt particles of Dead Sea salt gently cleanse the skin of your pet and can stimulate the self-healing powers of skin cells. With regular use, the combination of sea salt and lavender favors the formation of a strengthened skin flora. This can make it more difficult for harmful germs and fungi to repopulate the skin. Aloe vera provides additional moisture.

VeaVet Skin Mineral Spray is also suitable for cats.
