With feliTATZ Ear Cleaner, you clean and care for the ears of your cat in a gentle manner. The earwax (cerumen) is often poorly or not at all transported to the outside and can lead to a blockage of the external auditory canal. Sebum and cerumen form the breeding ground for pathogenic fungi and bacteria.

Stubborn soiling is loosend by regular and gentle cleaning with feliTATZ Ear Cleaner. Renewed soiling adhesions can be avoided. feliTATZ Ear Cleaner promotes the development of a skin ambience that makes it more difficult for harmful fungi and bacteria to recolonize. Ear health is supported in a natural manner.
