Product description

For a long time, it has been no secret, everyone has already tasted it and countless varieties in retail have convinced us. We do something good for ourselves and our bodies. Smoothies, the miracle weapon to strengthen our immune system, to cover our needs for vitamins and minerals. For that so simply - DRINK - no long snipping, mixing and chewing.

And that is exactly what we can offer our dogs:
Open the can
Add water
Shake well and into the bowl
A shot of oil over it (we recommend Fit-BARF feeding oil) and then it is happy sipping.

The 3 exclusive varieties (Fit-Hap Smoothie Green Oasis, Fruit Bomb and Detox) give the body many important vitamins and minerals. Whether a bustling puppy, seniors, convalescence, after an operation or simply between as a treat - suitable for every dog ??from the age of 12 weeks. Your darlings will thank you. Only a healthy dog ??is a happy dog.
