Height	103mm

Product description

FitBarf Oil 3-6-9 is a pure natural product with a balanced fatty acid pattern from fish and cold-pressed plant oils. Naturally contained vitamin E contributes to cover and prevent nutrition-related deficiency symptoms, such as dull coat, itchy and flaky skin, or hair loss. Due to its content of essential omega-3 fatty acids, it provides excellent support for healthy joints and a functioning immune system. Naturally contained omega-6 fatty acids significantly support growth and repair processes. Omega-9 fatty acids have a positive influence on fat metabolism, nerve conduction, and the hormonal system.

provides the essential omega-3 fatty acids DHA and EPA
contains the essential omega-6 fatty acid gamma-linolenic acid
for a shiny coat and healthy skin
strengthens the immune system
ideal BARF supplement for dogs and cats
