Product description

Singulares Bio-Coconut oil is a pure natural product and is gained through gentle, cold pressing. It is characterized by a wonderfully fresh and mild coconut aroma and flavour.

It also has a high proportion of valuable MCT - fatty acids (medium-chain fatty acids), and caprine acid, lauric acid, Caprylic acid. Singulares Bio-Coconut oil is up to about 26 ° C and melts at higher temperatures.

It is stored at room temperature, protected from light.

In the glas
100% pure organic coconut oil
100% natural raw food quality
100% freshly harvested organic coconuts
not refined, not deodorised, not hardened, not bleached
